The founder of Wall Street English shares his legendary experience in Shanghai

Shanghai International Studies University has awarded Dr Luigi Peccenini, founder of Wall Street English, an honorary professorship. The Awards Ceremony took place at SISU's Hongkou Campus. Dr. Jiang Bo testified to the strength of Dr. Pecce's philosophy on business and life: "As a successful entrepreneur, Pecce has overcome innumerable difficulties, but with his strong heart, intelligence, persistence and keen sense of business he conquered his failures. Finally, he has become a global pioneer and pivotal force in English Language Training."
